The two disciples recounted what had taken place on the way, and how Jesus was made known to them in the breaking of bread.

While they were still speaking about this, he stood in their midst and said to them, "Peace be with you."

"Protecting Human Life is the Cornerstone of Catholic social Teaching."

"The abortion conflict has never simply been about repealing Roe v. Wade. And the many pro-lifers I know live a much deeper kind of discipleship than "single issue" politics. But they do understand that the cornerstone of Catholic social teaching is protecting human life from conception to natural death. They do understand that every other human right depends on the right to life. They did not and do not and will not give up – and they won't be lied to."

Archbishop Charles J. Chaput O.F.M

"Proteger la Vida Humana es la Piedra Angular en la Enseñanza del Catolicismo Social."

"El conflicto del aborto nunca ha sido simplemente el rechazar la ley Roe v. Wade. Los muchos seguidores Pro-vida que conozco lo viven en un más profundo discipulado que como un "simple asunto" político. Claro entienden que la piedra angular de la enseñanza del catolicismo social es proteger la vida humana desde su concepción hasta su muerte natural. Entienden que cualquier otro derecho humano depende del derecho a la vida. Ellos no renuncian, ni renunciaran, ni serán engañados--- y tampoco serán engañados."

Arzobispo Charles J. Chaput O.F.M
