## CHILD ABUSE PROTECTION MONTH

Committed to the protection of the young and vulnerable

### **Protecting our Young and Vulnerable**

The job of ensuring children's safety is a challenging undertaking. The prevention of child sexual abuse requires more than adult awareness, education, and training about the nature and scope of the problem. We must also give our children the tools they need to overcome the advances of someone who intends to do them harm. The Teaching Touching Safety program guide is a tool designed to assist parents in this important task. The Touching Safety program is a vehicle through which parents give children the tools they need to protect themselves from those who might harm them. This is a requirement by the Archdiocese of Seattle for all parents with children in our parish.

### **Mandatory Meeting for Parents**

**May 20, 2018**

**After Mass at McLaughlin Hall**

Please plan to attend if you have children in our parish.  
We need parents to sign documentation for this requirement.

### **Protegiendo a nuestros Jóvenes y Vulnerables**

El trabajo de garantizar la seguridad de los niños es una empresa desafiante. La prevención del abuso sexual infantil requiere más que la conciencia, educación y capacitación de adultos sobre la naturaleza y el alcance del problema. También debemos brindarles a nuestros niños las herramientas que necesitan para superar los avances de alguien que intenta hacerles daño. La guía del programa Teaching Touching Safety es una herramienta diseñada para ayudar a los padres en esta importante tarea. El programa Touching Safety es un vehículo mediante el cual los padres brindan a los niños las herramientas que necesitan para protegerse de quienes podrían dañarlos. Este es un requisito de la Arquidiócesis de Seattle para todos los padres con niños en nuestra parroquia.

### **Reunión obligatoria para padres 20 de mayo de 2018**

**Después de la misa en McLaughlin Hall**

Por favor planea asistir si tiene niños en nuestra parroquia.  
Necesitamos que los padres firmen documentación para este requisito.
